

ANNE AITKEN

ALFI CANDIDATE  **for Lytham East**

ALWAYS LYTHAM FIRST INDEPENDENT

Anne has had the privilege of serving as a nurse in the NHS for 43 years, and even though she retired, she was asked to go back and mentor student nurses part-time.

Anne's hometown Lytham and the Lytham community have always been a huge part of her life. She has always been involved in community events. She walks, talks and indeed breathes Lytham! Her energy and enthusiasm for Lytham is beyond compare!

A club day stalwart for over 30 years, she also works with the environment agency and tested the water with Fylde Coast Against Sewage, she is also a founding member of Lytham Community Choir, helping to raise nearly £200,000 for various causes.

In her own words ...

'Supporting local charities is something I care deeply about, and I've been fortunate to help with Live Like Ralph challenge and raised £30,000 for Cancer Research in an open water challenge'.

Anne believes that party politics have no place in local issues. It's not about political affiliations - she firmly believes it's about listening to people, understanding their needs, and working together to make our community the best it can be. 

If you want someone who will put the needs of the community first and make a real difference, then Anne Aitken is the candidate for you. This woman is a force of nature!
